RE: **CASE NO. 2007-00107**  
MIKE LITTLE GAS COMPANY, INC.

Dear J.R. Goff:

Please note that as representative of Mike Little Gas, Inc., I have made repeated requests of Danl Hall, Executive Director for KY department of Transportation, for information for the basis of the Department of Transportation stopping construction of the gas line. After numerous requests, I have not received any information to date. Please note that I am sending notice of intent to resume construction to the Department of Transportation if I do not receive the information requested immediately.

With this in mind, I am requesting an additional 30 days to complete construction and for any additional relief which may be deemed just in these premises.

Cordially,

Miki Thompson  
President  
Mike Little Gas, Inc.
